STAY INTOUCH WITH YOUR PARISHIONERS

As you all know Lent is a time when, especially on Ash Wednesday, many parishioners return to the Church after a period of absence. There is also, generally, a flux in daily Mass attendance, as well as a desire among parishioners to become more fully engaged in their spiritual lives. Take advantage of the graces of the season and provide some helpful resources to everyone who walks in the door.

IDEA: Create a Lenten flyer or brochure that welcomes parishioners and lists all of the events that are happening in your parish throughout the Season of Lent.

- Have your hospitality team hand these out on Ash Wednesday
- Insert in your weekly bulletin

IDEA: Invite parishioners to join a parish email list, or follow your parish on Facebook. Use these forums to encourage and evangelize parishioners throughout the Season. The following programs can be used for content, or parishioners can be invited to sign up for them directly:
